Terms of Agreement

A NON-REFUNDABLE DEPOSIT of 25% of the total cost of the reserved animals is required to reserve hatchlings. Unless I am unable to provide the requested animals, this deposit is for the current year's hatchlings only. If I am unable to provide your animals, I will either refund your deposit in total or carry it over to the following year (whichever you prefer). By selecting the above prices for Banded Gila Monsters you are simply letting me know if you are interested in the highest quality or the most affordable specimens. The actual price will be a range from \$1,600 to \$2,000 based on the quality (appearance) of the hatchlings as well as their parentage. There will be a limited number of the highest-end animals available. If the cost of the animals shipped is less than the total paid, I will refund the difference with the shipment.

BALANCE OF PAYMENT is due on October 31 of the hatching year, regardless of the ship date.

SHIPMENT will be made airfreight collect to your nearest airport serviced by Delta Airlines. The shipment will be insured for the total value of the animals. Shipping and insurance costs must be pre-paid for international orders. You are required to open and inspect the shipment before leaving the air cargo desk. Any insurance claims to the airlines will require this. A \$30 crate charge applies to all shipments.

YOU ARE RESPONSIBLE for checking your local regulations to be certain that you can legally keep Gilas.

PAYMENT of deposits can be by personal check or money order. Final payment must be made by money order. Any payments for international orders must be made by money order in US funds drawn on a US bank.

MONTHLY PAYMENTS can be made if it is easier for you. The only requirement is that the balance be paid by October 31 of the hatch year.

I understand and agree to the above terms.
I will inform Dr. Seward of any changes in my contact information.
